

TUB & TILE 12x

SUPER-CONCENTRATED BATHROOM CLEANER

DIRECTIONS:

STEP 1: Add concentrate to the “12x” line.

STEP 2: Add water to the “Fill” line.

STEP 3: Spray on bathroom surfaces,
let sit a few minutes, then rinse.

MAKES 6 BOTTLES

EXPERT ADVICE:

- Do not use on natural marble, stone, colored grout, or antique, brass, or acrylic surfaces.
- For old or worn surfaces, test a small area first.

**MADE WITH BIODEGRADABLE INGREDIENTS.
POWERED BY NATURALLY DERIVED CITRIC
ACID.**

INGREDIENTS:

Palm- and coconut-derived cleaning agents (biodegradable), naturally derived citric acid, glycolic acid (derived from natural sugars), biodegradable solvent, biodegradable polymer (sheeting action), and fragrance.

COMMONSENSE CAUTION

Eye irritant. Keep out of the reach of children. In case of eye contact, flush with plenty of water. Call physician if irritation persists. If swallowed, drink water and call a physician or local Poison Control Center. Avoid prolonged or repeated exposure to the skin. Do not mix with bleach or other cleaning agents.
